

Bethany Catholic Primary School *Werribee North*

Newsletter No. 1 2020

Dear Parents,

Welcome to the 2020 school year. Congratulations on choosing to send your child/ren to a Catholic School. Naturally every family wants the very best education possible for their child/ren.

We promise to do all in our power to ensure that throughout this year your child is happy, feels safe, enjoys friends and achieves the highest academic outcome possible.

We will also work hard, in partnership with you, to provide a Catholic environment where each one of us is challenged to live in ways that witness love, compassion, forgiveness and peace.

Bushfire Crisis

Over the holiday period we have all been mindful that Australia and much of Victoria has suffered devastating bushfires. Our thoughts and prayers are with everyone impacted by this terrible event. We know that some school families found themselves in holiday destinations close to fires and experienced the resulting trauma of needing to evacuate and return home often on busy smoke filled highways.

We are also conscious that many school families have relations and friends in the bushfire areas and that the past weeks have been a time of worry and stress for all involved. As a school community our thoughts and prayers remain focused on those whose lives have been touched in any way by the fires and our admiration and respect for the fire fighters and volunteers' contributions makes one very proud to be Australian.

***Our School
Vision:
"Creating
authentic
relationships for
successful living
within a
Catholic
tradition."***

***Bethany Catholic
Primary School is
committed to the
safety, wellbeing
and protection of
all children in our
care.***

Reaching out in Welcome

This year we extend a warm welcome to five new staff members, 85 Preps and 14 new students in years 1 – 6.

Joining a new community can be daunting for all concerned. Students, parents and teachers who join with us for the first time will need our care and understanding. Hopefully many folk will extend a warm welcome to our newcomers. Feeling at home can take some time.

Above all, we want every child at Bethany to have a successful year. We want every child to love being part of our community – to know that they belong and matter.

Child Safe

Bethany is a child safe school. The school's Child Safe Policy can be found on the school website and we encourage everyone to familiarise yourself with this policy.

Keeping Children Safe

All school aged children are expected to attend school. Punctuality and daily attendance at school is expected.

Absent from School

Should a child be absent from school or will be arriving late, where possible the school needs to be notified in advance (the day prior to being absent). Please either complete the form at the end of this newsletter, phone the school or call into the office.

Should a parent decide unexpectedly not to send a child to school, a phone call to the absentee line would then be required by 8.30 a.m. on the day of absenteeism. To report an absent student by phone you will be requested to Press 2 and leave a message with your name, the student's name, hub, date/s of absence, and reason for absence. Messages can be left 24 hours a day but must be made by 8.30 a.m. on the day of absence.

Attendance at school is expected and students should only be absent if they are unwell or where parents deem the circumstances necessary.

Where possible, please let us know in advance if your child will not be at school or phone the school (Ph. 9742 9800) by 8.30 a.m. on any day when your child is absent or will be late.

Additional School Phone Number - Important

The school has added another number **03 9218 4300**. You may see this number when the school calls you. Please save this number to your contacts for Bethany. The existing number 9742 9800 will continue to be one of the numbers you can call.

Advice from Catholic Education Commission Victoria

Coronavirus

You will be aware of the emerging outbreak of novel coronavirus. Cases have been reported predominantly in the city of Wuhan, in the Hubei province of China, as well as other Chinese cities and in other countries, including at least one confirmed case at the time of writing in Victoria, Australia.

The Australian Government has advised that there is no cause for alarm with respect to the coronavirus and that the risk to the Australian public remains relatively low.

The Catholic Education Commission of Victoria Ltd (CECV) has consulted with the Department of Education and Training which, in collaboration with Vitoria's chief Health Officer and Department of Health and Human Services has provided the following advice to schools and local communities: Everyone can protect against infections by practising good hand hygiene and respiratory hygiene. Cover your mouth and nose when coughing and sneezing with a tissue, or cough into your elbow, dispose of the tissue into a bin and then wash your hands afterwards. Wash your hands regularly, after using the toilet, and before eating.

The recommendation (as at 30 January) is that parents/guardians/carers of students should ensure that any student is isolated at home and should not attend school for 14 days if they:

- Have had exposure to any confirmed novel coronavirus case; or
- Have recently left Hubei Province (the 14 days isolation at home is from the time they left the province.)

The Chief Health Officer's current advice is that staff and students do not need to be isolated at home if they have recently travelled in other parts of China or other countries and are not showing any symptoms of the virus.

Parent Advice and updated info available at:

<https://www.education.vic.gov.au/about/department/Pages/coronavirus.aspx>

As always, we will be responsive to ongoing Government and Catholic Education advice regarding this situation.

In the meantime you are welcome to chat with the school leaders if you have any concerns.

Anaphylaxis

There are a number of children in our school at risk of anaphylaxis. Anaphylaxis is a severe allergic reaction which is caused by certain foods. Peanuts and other nuts are the most likely foods to cause anaphylaxis.

All of our staff have been made aware of this situation and have been instructed in the correct procedures in recognising and responding to anaphylaxis.

An important understanding in the prevention of food anaphylactic reactions in school children at risk, is the essential step for the children to develop strategies for avoidance of particular foods at school and in the wider community. This occurs at the appropriate age for each child.

However as an additional support to children at risk of anaphylaxis, we ask that you do not send foods to school that contain peanuts or nut products.

This is helpful as in a school setting, cross-contamination is the greatest risk for this type of allergy. It would therefore assist the children at risk if you do not to send these foods.

Change of Address / Phone Details

In the interest of child safety **it is most important** that you notify us immediately if you have a change of residential address or phone number. You are required to also update this information for your Working With Children Check if you hold one.

Early Arrival – PLEASE NOTE THIS INFORMATION CAREFULLY

Students are asked not to arrive at school prior to 8.30 a.m. as there is no direct supervision available. If you need supervision prior to 8.30 a.m. it is expected that you access care at Quantin Binnah (Ph 9742 5040).

**No Student to arrive at school
before 8.30am**

After School Safety

After school, parents and carers are responsible for the supervision of the children in their care. It is very important that parents and carers **collect their children from outside their Centres** unless they have arranged for them to go on the walkers line, bikers line or After School Care. As children cross the carpark it is expected that they would **walk** with their parent or carer.

The Fitness Track, Fort, Oval and Sandpit are out of bounds after school.

If parents choose to allow their children to play on the larger play equipment at the Heaths Road end of the school, then the children must still follow the rules set by Bethany. This means that children can only play on the age appropriate equipment that they are allowed on during school time.

- Children in the Junior School can use the middle playground
- Children in year 3/4 can use the equipment closest to Heaths Road
- Children in year 5/6 can use the equipment closest to the carpark.

Parents with a child in Prep need to be aware that at this stage Prep students have not been briefed by the school regarding safety when using the junior play equipment.

If children play on the equipment, then **an adult must be present at the equipment and supervising the play.**

The school will not be held responsible for any accidents or difficulties that arise after school when the children are in the care of their parents and carers.

Children may not be on the equipment without a supervising adult.

All school gates, except the main gate, will be locked between 3.45 - 4.00 p.m. daily. The Retford Close bottom gate will be locked at 3.10 p.m.

No Smoking

A reminder that Bethany is a no smoking zone. Thank you for respecting this policy.

No Pets

In the interest of student safety we also ask that **no pets are brought onto the site.**

Communication Creates a Vital Link

Our school vision challenges us to “*create authentic relationships so that we can be successful in our living*”. Such relationships are based on our ability to create trusting dialogue.

To this end, I strongly encourage parents and teachers to take every opportunity to communicate with each other - in person, over the phone or through letters.

On **Thursday, 27th February**, there will also be an Open Night - an opportunity to spend time touring the school and chatting with all our educators.

In the meantime, we encourage parents to take the opportunity to chat with teachers any night after school.

Tangible Ways to Strengthen our Community

Leadership Assembly – Thursday, 27th February at 9.00 a.m.

Attend the first assembly of the year and support our Year 6 leaders as they respond to the call to leadership. All students from Foundation (Prep) to Year 6 attend this assembly and we are hopeful that a large number of parents will join with us for the celebration.

Open Night – Thursday, 27th February from 5.30 – 7.15 p.m.

Keep this evening free – an opportunity to visit the school, to tour the Centres and informally chat with teachers. The evening is scheduled from 5.30 – 7.15 p.m. There is no set organisation. Some families visit for a short time. Some families linger longer. A great night to meet all teachers in all Centres.

Our Open Nights are optional events, but those who respond to this invitation always benefit from the experience.

The Bethany Festival

The Bethany Festival will be held on **Friday, 20th March**.

The Festival is a great night – a great way to both experience and help create the Bethany Spirit for which we are so well known.

The Festival is an opportunity for Foundation (Prep) to Year 6 students and their families to enjoy a great fun night. The evening consists of bush dancing, a picnic tea and a series of great acts.

In particular I encourage all families who are new to the school to make every effort to attend the Festival – a great way to connect – a great family night – a great opportunity to see your child connect with their friends.

Festival tickets will be on sale in early March.

Parent Sub-Committee News

Fundraising

Incorrect information – The holiday news provided incorrect winners of our Christmas raffle. The families named were the 2018 winners and not last year's winners.

Our 2019 winners were:

The Christmas Stocking was won by the Cutropia Family.

The Giant box of chocolates was won by Scicluna Family.

Congratulations!!

Thanks to the generosity of the community we raised \$16,000 in 2019. This money will be added to school funds to now enable us to air condition the school hall and to upgrade the school playground equipment. The community has long been aware that air conditioning the hall was to be our next priority in facility upgrade. The decision to upgrade the playground equipment was determined by the parents who regularly attend our School Community Group meetings.

School Fee Raffle

The first fundraising activity for the year is our School Fee Raffle. This raffle is always extremely popular with the first prize being the payment of a school fee (valued \$1,600).

Should you have already paid your fees you can claim the money or use the prize to pay 2021 school fees in advance.

A book of tickets will be sent to each family in the coming weeks.

Hospitality

Members of this group are responsible for our term one cuppas and chats. Join with us on:

- Tuesday, 4th February: 8.50 – 9.30 a.m.
- Thursday, 13th February: 8.50 – 9.30 a.m.
- Thursday, 27th February: after assembly 9.20 – 9.45 a.m.

All welcome – a great way to meet other parents.

Service

The leaders of this group are calling for volunteers to assist with the icypole roster. Without such generous volunteers the various services offered in the school couldn't take place. If you are able to assist, please return the slip at the end of this newsletter.

Finances

Student fees of \$365 per student were due by Friday, 31st January. Thank you to those families who have made payment. We invite all families to finalise this payment this week.

Should you not be in a position to finalise your account, it is vital that you communicate with us.

Schools, like homes have to make ends meet and it is always helpful when families trust us with their difficulties so that we can adjust the school budget accordingly. Such discussions are always held in confidence. Rest assured that no child will ever be denied a Catholic Education due to difficulty in finalising fees.

Payments are invited at the school office in person or by phone.
The school office is open Monday – Friday 8am - 5pm
We accept payment by EFTPOS, cash, cheque at the office.
You may also pay by direct transfer into the school bank account.

School Fees

A reminder that if you selected to pay by instalments the first instalment of \$535 is due by Friday, 14th February.

Health Care Card Holders

Families with a Health Care Card current on Wednesday, 29th January 2020 may be eligible for the CSEF (sports and excursion fund) payment of \$125 per student.

Applications for this fund can be made at the Admin Centre office. It is most important that you provide a copy of your Health Care Card when making an application.

If you received the CSEF payment in 2019, you will not need to reapply unless you have a new child beginning school.

If you are a new family to Bethany and received the payment at your previous school, **you will need to reapply at Bethany.**

Families eligible for this fund will only need to pay \$240 per student for the Student Fee. The CSEF will cover the remaining \$125.

Student fee:	\$240	(general resources)
	<u>\$125</u>	(sports / excursion)
	<u>\$365</u>	per student

All applications must be completed by Thursday, 20th February 2020

Working in Partnership

Reading Helpers ~ Lots of Help Needed

The Grade One Reading Tutor program involves parents coming into the school two mornings per week (Wednesday and Friday) for thirty minutes to assist grade one children with reading skills. **(You do not have to have a grade one child to participate).**

Parent volunteers will be trained in how to support the skills that are being covered in the classroom reading program.

The program gives:

- Parents an opportunity to be involved in the school program.
- Strategies to help parents work with their own children at home.
- Students the opportunity to receive positive feedback and build confidence.

Over time we have come to see that the single biggest benefit of this program is the close relationship that builds between the tutor and the student. The children experience the support and encouragement of an adult who is there 'just for them'. We would really appreciate your support with this. Ideally we would like parents to commit to both Wednesday and Friday mornings from 8.50 - 9.20 a.m., but we can also offer you either a Wednesday or Friday if this suits your personal arrangements better. If you are able to assist, please return the slip at the end of this newsletter. Parent Tutoring will begin on Wednesday, 11th March at 9.00 a.m.
A gentle reminder that volunteers will need a current Working With Children Check.

Athletics Carnival Helpers

**Bethany Athletics Carnival, Friday, 6th March.
Victoria University Sports Complex
Hoppers Lane, Werribee**

As you are already aware, the date for our whole school Athletics Carnival is scheduled for Friday, 6th March. To make the day a huge success for your children we do need your help on the day. We know many people prefer to come along and support their children on the sidelines but we do really need your support and assistance to make our day run smoothly.

We would like to especially invite new prep parents to come and assist on the day. You would actually be helping at your child's events and still get to see them compete in the now famous Prep sprint events.

If you are interested in supporting this amazing sporting event, please indicate by returning the slip at the end of this newsletter. Even if you can only help out for part of the day let us know and we will have a job for you.

Our Sports Committee will run a parent meeting on **Friday, 28th February from 9.00 - 9.30 a.m.** The meeting to be held in the Staff Room will give you more information on your task for the day. However, this is not compulsory for helpers as the committee will still send home your task and you can catch them at 9.00 a.m. on the morning of the carnival at the track.

Please indicate if you will be attending this meeting so we have a seat ready for you. If you have any queries at all about the carnival, please chat to Gemma, Kirrily or to Centre Leaders. Looking forward to your support.

A gentle reminder that volunteers will need a current Working With Children Check.

School Uniform

We do expect students to wear the school uniform each day and thank families for your support in this regard. All school uniform items must be labelled with the student's name. There is no lost property at Bethany.

A reminder that all students need to wear a Bethany school hat.

Sports Uniform Days

Students need to be in full sports uniform on the following days for term 1:

Exploration Centre:	Monday
Discovery Centre:	Tuesday
Bridging Centre:	Wednesday
Leadership Centre:	Friday

Punctuality

This week and every week of the year we will be stressing the importance of punctuality.

All students are asked to go straight to their hubs from 8.40 a.m. when a welcome bell will ring. It is important therefore that children arrive at the school gate at 8.45 a.m. at the latest.

We need to encourage every student to be conscious of the need to develop a habit of punctuality. Arriving on time is a matter of courtesy. Arriving late for class makes life extremely difficult for teachers and for other students.

Daily Timetable

Session 1:	8.50 a.m. – 10.50 a.m.
Recess:	10.50 a.m. – 11.20 a.m.
Session 2:	11.20 a.m. – 12.50 p.m.
Lunch:	12.50 p.m. – 1.30 p.m.
Session 3:	1.30 p.m. – 3.00 p.m.

Please do not collect your child during morning or lunch recess times unless it is an emergency.

Collecting Children from School at Times Other than 3.00 p.m.

If you need to collect your child before the official dismissal time at 3.00 p.m., we ask that you come to the office before 2.45 p.m. and sign them out. Once you have signed your child out, you will be given a slip, which you then take to your child's hub and give to your child's teacher. If you go to the Centre without the slip, the teacher will send you back to the office before you can collect your child. **Unless it is an emergency, no child can be collected between 2.45 – 3.00 p.m.**

Lunch Orders

Lunches can be ordered on any Monday from **Monday, 10th February**. Lunches are prepared by a local provider.

Lunch orders are collected from the school by 9.00 a.m. so if your child should arrive at school after this time it is not possible to place an order. A current price list is included with this newsletter.

Icypoles

Students are able to purchase icypoles every Thursday during Term 1, beginning **Thursday, 20th February.**

Zooper Doopers (30 cents)

It would assist class teachers greatly if correct money could be provided. Children are free to purchase

one icypole only. Orders and money are collected first thing in the morning. It is **not possible** to accept late icypole orders.

Newsletters 2020

Our newsletters are emailed to each family fortnightly on a Monday.

We will continue to send home a printed copy of our Mini News on alternate weeks.

If however your family would prefer to receive your fortnightly Newsletter as a paper copy please return the slip at the end of this Newsletter to the Admin Centre office.

If you need to update the email address where you receive the newsletter please also return the slip at the end of this Newsletter to the Admin Centre office.

If we do not receive a response from you, we will email the next newsletter to the email address you provided previously to the school.

Help Needed

A family requires transport for their daughter each afternoon. If you are in a position to transport a Year 4 student to Baden Drive in Hoppers Crossing we would love to hear from you. Naturally payment would be made by the family for this service. Should you be in a position to assist or should you wish for further information regarding this request please chat to Bron in the Admin Centre office.
